Understood. I'll send a few keys to you. As I told Adam, ALL locks (EPA and YVD) will be opened by the same key.

Thanks.

Hello Kevin,

Please send EPA (me) two well keys and do not send a key to Yakima County. EPA will coordinate directly with the County whenever they are prepared to sample any of the EPA-drilled wells.

Thanks,
Eric

All –

I just got off the phone with Kevin. He explained that their plan is to clip the EPA well locks, and then put locks on all the wells that work by the same master key and mail EPA a copy of the master key. He also said that he would provide a copy to Yakima County, unless we thought that should happen through EPA, in which case he would just provide us another copy of the key.

In any case, I'm ccing Kevin on this email. If any of you have concerns, we should voice them now.
